

Connect to Proven Spending Power

The IHG Owners Association represents the long-term interests of the most forward-thinking IHG hotel owners worldwide. Collectively, our members influence more than \$3.5 billion in annual spending power, and many of our members own multiple properties with multiple brands. Access to such dynamic hotel owners can enable you to connect to groups ranging from two to 30 plus hotels with a single purchasing contract.

All Allied Member partners that are selected to be a part of the Association's Allied Member Program are carefully vetted using a series of considerations, including history with IHG®-brand hotels, overall hospitality experience and relationships with existing IHG owners and corporate. In select categories, Allied Members must also be aligned with chosen IHG-approved partner suppliers as part of IHG brand standard requirements.

The products and services our members actively seek include:

- Finances and investments
- Furnishings and fixtures
- Guest amenities and services
- Technology and telecommunications
- Linens, bedding, apparel and accessories
- Insurance, human resources and accounting services

Some of the sponsorship opportunities offered through Allied Membership include:

- Global Board of Directors
- Europe Regional Council
- Working Group or Task Force Networking Events
- Country, Regional or Sub-Committee Meetings
- U.S. and Regional Owner Summit Series
- IHG Americas Conference Opportunities (when applicable, including Member Party, Member Meeting, Golf Tournaments and more)
- IHG European Conference Opportunities (when applicable)

*IHG® Rewards Club not applicable to Kimpton® Hotels & Restaurants; to be included at a future date.

“IHG is a great brand to align yourself with and membership in the IHG Owners Association is a great way to gain access to key decision makers and participate in meaningful events that will help grow your brand. I feel truly grateful for the access I receive and the face-to-face interactions I am able to have as an Allied member.”

“When we became Allied members, we benefitted from the immediate credibility and receptivity to our company from the owners. Staying close to the voice of the customer through the networking and knowledge that comes from Association meetings is of the highest value for Sysco Guest Supply.”

-Barry Weakley, Sysco Guest Supply
