Keep Good Company

All Allied Member companies that are selected to be a part of the Association's Allied Member Program are carefully vetted against several considerations, including history with IHG® hotels, overall hospitality experience and relationships with existing IHG owners and IHG corporate. In select categories, Allied Members must also be aligned with chosen IHG-approved partner suppliers as part of IHG brand standard requirements.

Partner, Promote & Engage

To complement the range of benefits offered with Package-Level Memberships, Allied Members have the option of selecting even more marketing opportunities on an individual, à la carte basis. These additional opportunities are designed to help Allied Members effectively promote their products and services through the IHG Owners Association's targeted membership communications channels.

We've created an inclusive menu to help you get the most out of your membership and to best help you accomplish your goals.

Direct Mail Made Easy and Effective

Our Direct Mail program puts your message directly into the hands of Association members. Allied Members provide all materials, fulfillment/stuffing and postage (including print and production). Completed pieces are then sent to the Association's mail house representative in bulk, where they will be addressed and mailed first class on your behalf. All costs are covered by the Allied Member.

Pricing: \$3,000 per mailing / \$2,500 for 2+ mailings booked at once for the same calendar year.

Share Your Expertise Through an Expert Session

Allied Members selected by the Association have the opportunity to host an Association Expert Session webinar on relevant industry topics. The topic must be approved by the Association and the webinar will be hosted by the Association internally. The Association will create the communications plan and promote the webinar to our members through our digital channels (email blasts, social media, etc.). All marketing content will be provided by the Allied Member and distributed through the Association. An Attendee Report may be sent to the Allied Member post-webinar.

Pricing: Based on availability. Contact an Association representative for pricing and details.

Target Our Most Loyal Readers with *OWNER* Magazine

Association members rely on our exclusive *OWNER* magazine for insider news, industry trends and best practices, Association, Board and Working Group updates and IHG-brand activities. All advertising for *OWNER* magazine is handled through our publishing partner, McNeill Media Group. Once you determine ad size and frequency, we'll put you directly in touch with McNeill Media Group to review your ad specs, material due dates, etc. The magazine is distributed to 8,500 members and hotels throughout 65 countries. Advertising space is limited, so please reserve early.

Pricing: See *OWNER* magazine Print Media Kit.

Connect with Owners Through Digital Opportunities

The Association offers a wide array of valuable digital advertising opportunities, all designed to help get your message in front of IHG owners and operators and extend your reach. Through this digital marketing, Allied Members are able to connect directly to industry decision makers through a variety of advertising channels, including weekly newsletters, our Member Center online knowledge library and much more.

Pricing: See Allied Member Digital Media Kit.
